Summary: Yup, another good-bye poem! This time from Izzy to Tentomon!

Boy I'm writing a lot of these, I guess I'm on a roll or something!

Oh well, please read and reveiw!

I Wish it Didn't Hurt

A/N: OK, when Izzy told Tentomon that he had something really important to say before he left, am I the only one that thought he was going to tell him that he was adopted!?! I seriously thought so, and then he said "I love you" and for some reason I just burst out laughing! I guess it was the way he said it and Tentomons reaction, and the fact that I just wasn't expecting it! Anyway, this poem was inspired by that, and it's Izzy's good-bye poem to Tentomon! Enjoy!

><br>~I Wish it Didn't Hurt~

><br>

>I know that you were shocked<br>

>When I said I loved you<br>

>But I just had to say it<br>

>Cause it really is true<br>

><br>I really do love you

><br>As a good friend

><br>And I can't help but remember

><br>All the time we did spend

><br>

>Here in this world<br>

>That I'm now forced to leave<br>

>And we are doing what's right<br>

>That's what I believe<br>

><br>But it still really hurts

><br>Having to say good-bye

><br>But no matter how much it hurts

><br>I'll live through it and try

><br>

>Just to remember<br>

>All of the happy times<br>  
>And even though I have to go home<br>  
>And leave you behind<br>  
><br>I'll still have my memories  
><br>To get me through  
><br>And I'll block out the bad ones  
><br>From before I met you  
><br>  
>Because you really did change me<br>  
>And you helped me to forget<br>  
>The memories of my past<br>  
>That I really regret<br>  
><br>So when I said I loved you  
><br>It was because you're the best friend I ever had  
><br>I just wish saying good-bye  
><br>Didn't hurt me so bad.

End
